Lesson:

what do you know that is similar? How do you feel about this way of categorizing people?
Make a poster, draw or paint how you want society to look at diversity.

In order to control the masses of people, the Spaniards constructed a new racial caste system. Simply the more Spanish blood you had, the higher you social and racial category. The following link explain the racial painting <http://www.learner.org/courses/globalart/work/85/zoom.html> — with Guacamole Atole Murrieta.
