Lessons:

What role did USAID play in Kevin's life?

What is USAID usually noted for? Infiltrating dissent groups to make them more powerful to succeed in overthrowing

progressive elected leaders) Honduras, El Salvador, Nicaragua, Venezuela, Ecuador, Bolivia, Brazil, Mozambique, Angola, Namibia etc

Why did gangs grow in Honduras? No employment opportunities Families not in tact due to some fleeing the violence, opposition killed by police and military whom US funded. Drug trade.

How one person can make a difference...Kevin
