For every teacher and principal! Click on the video.

**Californians  
for Justice**

---

It may take a generation to undo the hate.

**But you can do something about that--** by promising that every California student has an adult that cares. And by supporting our teachers and school staff to make this possible.

Click the picture to watch our video.

**Moved by what you saw?** Take a moment to share the video with someone who believed in you.
