

Vic and Barby,

Think about all the women in your life...

What if they were married off against their will at the age of fourteen, denied from speaking out against sexual abuse, or killed for having their own opinion?

[In 2016, it's a reality for too many girls and women around the world.](#)

Every day we wait, girls continue to be deprived of the opportunity to become healthy, educated and empowered women.

[On this International Women's Day, take action to stand in solidarity with the brave campaigners fighting to stop gender discrimination and inequality under the law.](#)

TAKE ACTION

Thanks for doing what you do -
