
Science Holocaust and Human Behavior

Reply-To: Aileen_McQuillen@facing.org

We are thrilled to mark our 40th anniversary with the release of the newly revised **digital edition** of our resource, *Holocaust and Human Behavior*.

This exciting new edition includes:

- Engaging, easy-to-use multimedia resources
- New lessons and unit outlines to support your classroom implementation
- Updated content to reflect the latest scholarship on the Holocaust and in neuroscience and human behavior
- A vast array of new primary source material

Curious about why it was time for a new edition? [Learn more.](#)
