

## 10,000 New Deal Sites Mapped!

[View this email in your browser](#)

The [Living New Deal project](#) has been snowballing: More people are finding us, signing up for our newsletter, and volunteering to assist in the crowdsourcing of New Deal buildings, parks, artworks and all the rest.

Our thanks to all of you for your support and help over the years: collecting, chronicling, correcting and cheering us on.

Now, on to the next [10,000!](#)

And keep your eyes on the Living New Deal website to see new features appearing this summer:

- A greatly expanded New Deal film page
- More pages focused on individual states
- A new set of briefs on every New Deal program
- An Advanced Search function
- A redesigned Home Page

Best regards,

**Richard Walker, Director**

**Gray Brechin, Founder**

**Gabe Miner, Manager**

**... and the Living New Deal team in the Bay Area and across the country**
